IMPORTANT INFORMATION ABOUT YOUR SHAVINGS ORDER

Please remember the following points:

- You will have your delivery date re-confirmed by either a Champion Shavings representative or the driver at least 24 hours prior to arrival.
- Arrival time (ie: 8:00am) cannot be fully guaranteed. Factors such as traffic, weather, and border crossing holdups can affect delivery. Champion Shavings cannot be responsible for such delays.
- Upon truck arrival, you are responsible for unloading the shavings within the allotted time. (Usually within 2 or 3 hours of scheduled arrival). Any unloading time beyond that may be subject to a \$50.00 per hour charge as billed by the trucking company.
- If you request the driver to help, be prepared that you may be liable for “labor charges” of up to \$50.00 per hour as billed by the trucking company.
- Your order is considered placed once we receive back your paperwork (ie: customer info sheet).
