TERMS AND CONDITIONS FOR YOUR SHAVINGS ORDER

PLEASE INITIAL BELOW AND RETURN SHEET

Please remember the following points:

- You will have your delivery date re-confirmed by either a Champion Shavings representative and in some cases also the driver at least 1 business day prior to arrival.
- Arrival time (ie: 8:00am) cannot be fully guaranteed. Factors such as traffic, weather, and driver regulations can delay a load. Champion Shavings cannot be responsible for such delays.
- Upon truck arrival, you are responsible for unloading the shavings within the allotted time. (Usually within 2 or 3 hours of truck arrival). Any unloading time beyond that may be subject to a \$85.00+ per hour charge as billed by the trucking company.
- If you ordered your shavings on pallets, make sure you have a forklift that can carry 2000 lbs @ 4ft of height, as well as a pallet jack for unloading. If your load is "hand stacked", make sure you have a crew of 4-5 people available to unload.
- If you request the driver to help unload, be prepared that you may be liable for "driver assist charges" of \$60.00+ per hour as billed directly by the trucking company.
- Additional stops start at \$100.00 each plus mileage as billed by the trucking company.
- Your order cannot be placed until we receive your initial setup paperwork (ie: customer info sheet, as well as this page initialed).
